

*Stay one step ahead  
of the weather with  
our wireless  
weather station*

# Weather Station

*Outdoor unit collects data and sends it to the indoor display panel for easy weather monitoring*

*Indoor unit features a complete display of critical weather data*

- Measures temperature, rainfall, barometric pressure and wind speed
- Wireless technology allows outdoor unit to communicate with indoor display
- Easy to use display panel with programmable functions
- Works with external sensors for even more functionality.

*Works with external sensors such as our Pool Sensor (Sold separately)*

*Built-in Wiz Kid automatically recommends proper attire based on weather conditions*

<b>Model:</b>	E9250
<b>Radio transmission:</b>	433 MHz radio transmission linking all sensors
<b>Temperature:</b>	Up to 9 sensors can be connected, two temperature values are shown concurrently, 1 indoor and 1 selectable outdoor temperature, resolution 0.18 F, accuracy 1.8 F; display unit: F, dew point (indoors) and windchill display (indoors/outdoors), comfort zone indicator for indoor display (F to C switchable)
<b>Relative humidity:</b>	Up to 9 sensors can be connected, two humidity values are shown concurrently, resolution 1%, accuracy 5 %
<b>Air pressure trend:</b>	Display of air pressure trend in 5 steps: rising steeply, rising, no change, dropping, dropping steeply
<b>Air pressure history:</b>	Display using bar chart, up to 24-hour tracking
<b>Rainfall:</b>	Display in inch, mm, l/m2, display total since last reset, last 24 hrs, or last hour, range 0 to 999 mm, resolution <0.3mm
<b>Wind speed:</b>	Display selectable as mph, km/h, m/s, resolution 0.06mph., wind sock icon for light, moderate and strong wind
<b>Sunrise and sunset:</b>	Selectable display of individual locations
<b>Moon phase:</b>	Display of the current moon phase in six stages
<b>Time &amp; date:</b>	Quartz clock
<b>Weather forecast:</b>	With weather icons: sunny, fair, cloudy, rainy, and Wiz Kid's choice of clothing
<b>Extensive memory options:</b>	Min./max. values with time & date
<b>Independent of house current:</b>	Base station, 4x AA batteries; sensor, 3x AA batteries battery life >2 years (station and sensor), batteries not included
<b>Housing dimensions (H x W x D):</b>	8.5" x 5.5" x 1.3" (stand excluded)
