

SMART WARMER 2000 SLIM

Is winter freezing your fingers and draining your phone? Solve both problems with our convenient Share A Watt™ Smart Warmer 2000 Slim. Lightweight and compact, you can take it with you anywhere that you might need soothing heat or an emergency phone charge.

Switch it on, slip it into your pocket and in as little as 60 seconds your hand will start to feel the comforting warmth. When your cell phone is running out of juice just plug it in and enjoy a backup power supply wherever you are.

Recharging is simple. Just plug it into your computer with the included USB cable and your Share A Watt Smart Warmer 2000 Slim starts charging. In just over an hour it will be fully charged and ready to go.

The Share A Watt Smart Warmer 2000 Slim is ideal for winter activities as well as in air conditioned offices. Take it with you on your morning commute or when you're hiking or camping.
