

Operation Manual  
**Flip 'n Charge™ Candle**  
Model: P7615

Thank you for purchasing the P7615 Flip 'n Charge™ Candle. Please read all instructions prior to use. Proper use and care of this item will allow years of productive use.

Enjoy a beautiful, realistic candlelight glow without the hazardous flames, unpleasant smoke or messy wax of traditional candles. Long-lasting, amber LED bulb “flickers” like a real candle, so indoors it’s the perfect mood-setting candle to enhance a romantic dinner... or use it outdoors on your patio or poolside for nighttime get-togethers. Built-in battery is charged by the patent-pending solar panel hidden on the underside of the candle housing. Just flip the candle over to charge it then flip it back over to enjoy the lifelike candlelight all evening long. Contemporary, frosted-shade design works with any décor, inside or out.

**Caution:** This product is designed for outdoor use. However, when not in use the unit should be dried and stored indoors. Do not expose unit to extreme conditions (e.g. freezing) or damage may occur.

**INSTALLATION:**

Remove any protective film from the unit’s base and solar panel.

**Operation:**

1. Fully charge the unit by placing it outdoors in direct sunlight. Aim the solar panel at the sun by flipping the unit and setting it with the beveled plastic rim down and the metallic base up. Be sure the unit is not blocked or shaded by awnings, trees or structures. Use the beveled edge to point the unit towards the sun.
2. When ready to enjoy the illumination, flip the unit back over and set it so the metallic base is down. Use the candle indoors or out. A full charge will yield up to eight hours of illumination. The lamp will flicker – simulating a real flame.
3. When not in use store the candle with the metallic base up. This will extinguish the lamp and conserve battery charge. The battery charge will slowly discharge when in storage – this is normal. Be sure to fully charge the unit before requiring illumination.

**Specifications:**

- Battery : 3.6V 110mAh Li-ion Rechargeable ( included)
- Dimensions: 3 5/8” x 3 3/8” x 3 3/8” (HxWxD)
- Weight: 5 oz.

**P3 INTERNATIONAL CORPORATION  
LIMITED WARRANTY**

P3 INTERNATIONAL CORPORATION ("P3") warrants to the original retail purchaser only, that its product is free from defects in material or workmanship under the condition of normal use and service for a period of six (6) months from the date of purchase. In the event that a defect, malfunction or failure occurs or is discovered during the warranty period, P3 will repair or replace at its option the product or component part(s) which shall appear in the reasonable judgment of P3 to be defective or not to factory specifications. A product requiring service is to be returned to P3 along with the sales receipt or other proof of purchase acceptable to P3 and a statement describing the defect or malfunction. All transportation costs shall be borne by the owner and the risk of loss shall be upon the party initiating the transportation. All items repaired or replaced thereunder shall be subjected to the same limited warranty for a period of six (6) months from the day P3 ships the repaired or replaced product. The warranty does not apply to any product that has been subject to misuse, tampering, neglect, or accident or as a result of unauthorized alterations or repairs to the product. This warranty is void if the serial number (if any) has been removed, altered, or defaced. This warranty is in lieu of all warranties expressed or implied, including the implied warranties of merchantability and fitness for a particular purpose which are expressly excluded or disclaimed. P3 shall not be responsible for consequential, incidental or other damages, and P3 expressly excludes and disclaims liability for any damages resulting from the use, operation, improper application, malfunction or defeat of any P3 product covered by this limited warranty. P3's obligation is strictly and exclusively limited to the replacement or repair of any defective product or component part(s). Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. P3 does not assume or authorize anyone to assume for it any other obligation whatsoever. Some states do not allow limitation on how long an implied warranty lasts, so the above limitations may not apply to you. It is the owner/user's responsibility to comply with local, state, or federal regulations, if any, that may pertain to P3 products or their use. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

If you experience difficulty in the operation of your unit, or if your unit requires repair please contact:
