Rechargeable Pocket Warmer with Phone Charger

Thank you for purchasing the P8430 Rechargeable Pocket Warmer with Phone Charger. Is winter freezing your fingers and draining your phone? Solve both problems with our convenient Warmer-Charger. Slim and lightweight, you can carry it with you anywhere you need a convenient source of soothing heat or to use as an emergency charger for your phone. This unit will provide you with years of service if cared for properly. Please read these operating instructions thoroughly before use

How to Use:

Charging the unit:

Plug the USB Charging cable into a computer, USB power socket or an AC/Car Adapter to begin charging. A Red LED lamp will light up on the unit. Charging time depends on the power level of the power source.

When the Pocket Warmer is finished charging, the LED lamp will turn from Red to Green.

Warming:

Press the ON/OFF button to start heating the Pocket Warmer. A Green LED lamp will light up.

When the Pocket Warmer has reached 104°F (40°C) the LED lamp will turn off and on as the temperature is maintained.

When the Pocket Warmer is low in power, the LED lamp will flash Red indicating to the user that it is time to recharge the unit.

To turn the Pocket Warmer off, press the ON/OFF button. The LED lamp will shut off.

Note: When in use, it is normal for some areas of the housing to be warmer than others.

Charging your USB device:

You can use the Pocket Warmer to charge devices such as your cellphone. Plug the USB Device cable into a cellphone or other device. Plug the barrel connector into the Charge Out port on the Pocket Warmer. Check that a charging symbol appears on your phone screen.

Notes: When charging your phone, LED is Off. Your mobile device shows the charging status.

When the Red LED lamp lights up or flashes, it is time to recharge the unit.

Caution

1. Charge the Pocket Warmer fully before first use.
2. DO NOT drop, disassemble or attempt to repair the Hand Warmer yourself.
3. Avoid exposure to water, high humidity, or any heat source.

Specifications:

Model:	P8430
Power Supply Input:	Rechargeable by mini USB port (5v/1000mA Max)
Power Supply Output:	DC 5V/500mA
Built-in Battery:	Lithium-ion Battery
Charging In Time:	1 1/2 - 2 1/2 Hours (depends on the power source)

Weight:	1.6 oz.

Contents of Box: Pocket Warmer unit, USB charging cable, USB discharging cable, and a knit sleeve case.

*Specifications subject to change without notice.

P3 INTERNATIONAL CORPORATION LIMITED WARRANTY

P3 INTERNATIONAL CORPORATION ('P3') warrants to the original retail purchaser only, that its product is free from defects in material or workmanship under the condition of normal use and service for a period of six (6) months from the date of purchase. In the event that a defect, malfunction or failure occurs or is discovered during the warranty period, P3 will repair or replace at its option the product or component part (s) which shall appear in the reasonable judgment of P3 to be defective or not to factory specifications. A product requiring service is to be returned to P3 along with the sales receipt or other proof of purchase acceptable to P3 and a statement describing the defect or malfunction. All transportation costs shall be borne by the owner and the risk of loss shall be upon the party initiating the transportation. All items repaired or replaced thereunder shall be subjected to the same limited warranty for a period of six (6) months from the day P3 ships the repaired or replaced product. The warranty does not apply to any product that has been subject to misuse, tampering, neglect, or an accident or as a result of unauthorized alterations or repairs to the product. This warranty is void if the serial number (if any) has been removed, altered, or defaced. This warranty is in lieu of all warranties expressed or implied, including the implied warranties of merchantability and fitness for a particular purpose which are expressly excluded or disclaimed. P3 shall not be responsible for consequential, incidental or other damages, and P3 expressly excludes and disclaims liability for any damages resulting from the use, operation, improper application, malfunction or defeat of any P3 product covered by this limited warranty. P3's obligation is strictly and exclusively limited to the replacement or repair of any defective product or component part(s). Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. P3 does not assume or authorize anyone to assume for it any other obligation whatsoever. Some states do not allow limitation on how long an implied warranty lasts, so the above limitations may not apply to you. It is the owner/user's responsibility to comply with local, state, or federal regulations, if any, that may pertain to P3 products or their use. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

If you experience difficulty in the operation of your unit, or if your unit requires repair please contact:
