SOLAR POWERED

SNAKE REPELLER

Why risk using dangerous poisons and traps around your children and pets?

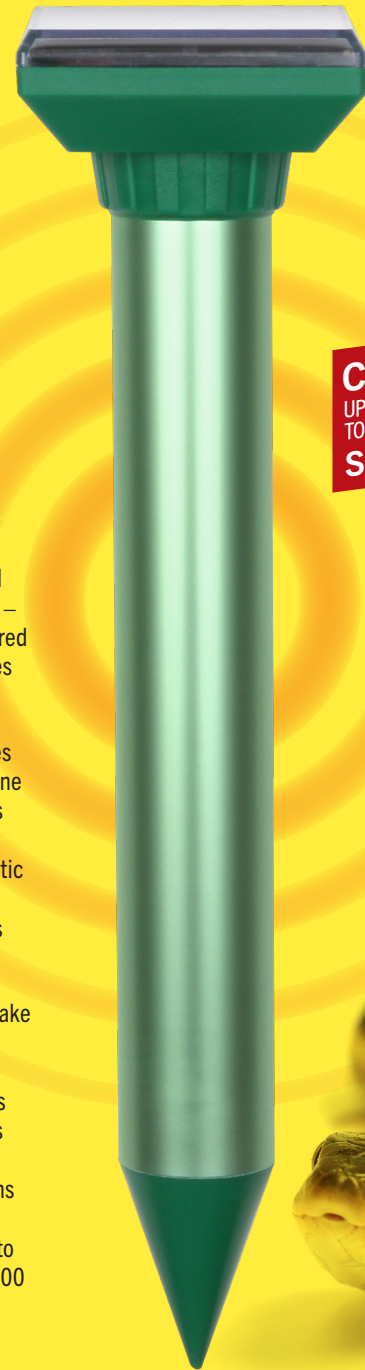

Chase away snakes with sound!

- ▶ Produces powerful vibrations mimicking human activity
- ▶ Effectively repels snakes
- ▶ Safe around children and pets

The Vanish® Solar Powered Snake Repeller gets rid of unwanted snakes with the strongest and least expensive power available – the sun. Solar-powered and maintenance-free, the Solar Powered Snake Repeller uses state-of-the-art technology to keep snakes out of your garden and around your house.

This ingenious device is environmentally friendly and eliminates the use of poisons and traps around children and pets. Since one full charge yields up to 4 days of trouble-free power, the unit is capable of operating without interruption even in unfavorable weather. The solar panel is embedded in a watertight ABS plastic housing with unique mow-over design while the spike is made from corrosion resistant aluminum. The rechargeable batteries are replaceable insuring years of snake-free gardening.
